# Before You Begin

## Gather your information

Having everything you'll need in hand before you start your application means you won't be stuck trying to get a copy of your transcript on the last day. Use the checklist and worksheet on pages 3–4 as your guide.

## Research your options

There may be different degree programs at several UC campuses that can get you to your career goal; knowing what they are will give you more options when you apply. Check which majors are open in a given term at www.universityofcalifornia.edu/admissions/how-to-apply/check-majors..

**Campus Major Offerings**

## Apply broadly

Applying to more than one UC can significantly increase your chances of being admitted to a campus that will enable you to fulfill your educational goals.

## Pick an e-mail address and stick with it

Campuses e-mail applicants to request or clarify information; they often need a quick response. Provide an e-mail address that you'll check regularly and keep until you enroll. Update your spam filters to ensure that you receive all UC communications.

## Apply at www.universityofcalifornia.edu/apply

**Follow directions.** Answers to common questions appear on every page. If you can't find an answer, contact our help desk at ucinfo@ucapplication.net, or call (800) 523-2048 (in California) or (925) 808-2181 (outside California).

**Save your work.** If you take a break from your application, sign out or click "Next" on any page to make sure your work is saved.

**Review your summary.** Look for any instance where the summary page says "not started" or "in progress." If you didn't intend to leave a question blank, click "Edit" to go back and fill it in.

**Don't forget to click "Submit your application for UC admission."** Your application won't be sent to UC until you do. You will be taken to the receipt page, which shows your application ID. It's a good idea to print this page.

## Write your personal statement in advance

Think of your personal statement as your chance to tell us who you are and what's important to you. What you tell us in your essays gives us the context to better understand the rest of the information you've provided in your application. Be open, be honest, be yourself.

**A few tips.** Read each prompt carefully and be sure to respond to all parts. Use specific, concrete examples to support the points you want to make. Take time to write, rewrite and edit. Show it to a teacher, counselor or friend for comments, but make sure the words you use are your own.

**Finally, relax.** This is one of many pieces of information we consider in reviewing your application. An admission decision will not be based on your personal statement alone.

**Instructions**

➜ Respond to both prompts, using a maximum of 1,000 words total.

➜ You may allocate the word count as you wish, but we suggest each answer be no less than 250 words.

**Prompt #1**

Describe the world you come from — for example, your family, community or school — and tell us how your world has shaped your dreams and aspirations.

**Prompt #2**

Tell us about a personal quality, talent, accomplishment, contribution or experience that is important to you. What about this quality or accomplishment makes you proud and how does it relate to the person you are?

Following the personal statement, there's a section called Additional Comments. Use this space — up to 550 words — to tell us anything you want us to know about you that you don't have the opportunity to describe elsewhere in the application.

## Pursue all potential scholarships

UC campuses and alumni associations award a variety of scholarships based on a student's merit, financial need or both. Visit www.universityofcalifornia.edu/admissions/paying-for-uc/scholarships to research deadlines and additional requirements. You may qualify for more help than you'd expect.

There are also "restricted" scholarships available to students with specific backgrounds, academic interests or career goals. You can apply for these scholarships in the admission application by matching your own background characteristics and interests to the lists provided. Most students are notified of scholarship awards between March and August.

## Application fees

**Paying your application fees.** UC's application fee is $70 per campus ($80 if you're an international student). You may pay online by credit card or be billed. Application fees are non-refundable.

**Applying for a fee waiver.** UC will waive application fees for up to four campuses for qualified students who otherwise would be unable to apply. You can apply for a fee waiver within the application and find out immediately whether or not you qualify.

# 2 Checklist

## Transcripts

You'll need to enter courses and grades from all schools you have attended, including any colleges where you have taken courses. Don't enter information from memory; misreporting your academic record can jeopardize your admission. If you took advanced math and/or a language other than English in middle school, you will need to tell us how many semesters you completed.

## Test scores

These include your ACT with Writing and/or SAT scores and any Advanced Placement, International Baccalaureate, TOEFL or IELTS exam scores. Know the test dates for upcoming exams you plan to take.

## Annual income (optional)

If your parents claim you as a dependent on their tax return, ask them for their annual pre-tax income for 2010 and 2011. Refer to tax records or pay stubs.

## Social Security number (if you have one)

We use your Social Security number to verify your identity and match your application to your transcripts, test score reports and, if you apply for financial aid, your FAFSA. It will be kept confidential.

## Citizenship status

You must enter your country of citizenship (or "No Selection"). If you select a country other than the United States, you'll need to provide your immigration status and the type of visa you hold (e.g., F-1).

## Statewide Student ID (optional)

Each K–12 student in California public schools is assigned an ID number. If it's not printed on your high school transcript, obtain it from your school counselor or registrar.

## Credit card

You'll need the account number, expiration date, cardholder's name and billing address. (If you'd prefer to pay by check, you can send your payment by mail. Do not send cash.)

# Worksheet

In addition to your courses and grades, we want to know about any honors you've received and how you spend your time outside of school. Use this worksheet to prepare concise descriptions of your most significant awards and activities. You may list up to five entries in each category, so think carefully about what you want to highlight.

## Activities and Awards

**Coursework Other Than "A–G"** List the courses you took during high school, other than those approved for UC admission, that demonstrate a particular focus or interest (e.g., language immersion courses or nontransferable college courses).

| Course name | Description of course | 9th | 10th | 11th | 12th | After 12th | Hours per week | Weeks per year |

# After You Submit

## Print your receipt

You'll want to keep a record of your application ID number and a summary of your application for reference.

## Watch for your application acknowledgment

As soon as you submit your application, you'll receive an e-mail confirming it has been successfully filed. Four to five weeks later, you should get another acknowledgment from the UC Undergraduate Application Processing Service confirming your application and fees were received. If you do not receive this acknowledgment, contact the processing service at ucinfo@ucapplication.net, 800-523-2048 (in California) or 925-808-2181 (outside California).

## Order test score reports

Be sure to have the relevant testing agency send your official ACT and/or SAT results to UC. If you have a report sent to one campus, it will be shared with all the campuses to which you apply.

## Order final transcripts

If you are admitted for the fall term, you must arrange to have final, official transcripts sent to the campus admissions office no later than July 15.

## Applying for Financial Aid

**There's money available** to help you attend UC. If your family income is less than $80,000, the Blue and Gold Opportunity Plan will cover, at a minimum, your systemwide fees. Your family makes more? You may still be able to get other grants and scholarships. Even if you don't think you'll qualify, apply. It's the only way to be considered for every type of aid possible, including low-interest student and parent loans.

**Apply for aid** between January 1 and March 2, 2012. Here's how:

**Submit a FAFSA.** The Free Application for Federal Student Aid is available at www.fafsa.gov.

**Submit your GPA for a Cal Grant.** If you're a California resident embarking on your first bachelor's degree, make sure your school-certified GPA is submitted to the California Student Aid Commission. Many California high schools automatically submit their students' GPAs. If this isn't the case with your school, use the GPA Verification Form, which is available at www.csac.ca.gov (click on "Cal Grant GPA Forms" under "Quick Hits").

**Find out more** about UC's financial aid programs: www.universityofcalifornia.edu/admissions/paying-for-uc.

# 4 Making Changes to Your Application

## If you change your phone number, e-mail or mailing address

Update your information at www.universityofcalifornia.edu/afterapply.

## If your academic record changes

If you add or drop a course or fail to earn a C or better in a course, notify the admissions office at each campus where you applied.

## If you enroll in a new school or college after applying

Notify the admissions office at each campus where you applied. Provide the institution's name and the courses you are taking or plan to take.

## If you want to apply to an additional UC campus

Log in to your UC application at www.universityofcalifornia.edu/afterapply. You may add a campus only if it is still accepting applications.
